How the World Bank and the IMF destroy Africa. The World Bank and the IMF (the International Monetary Fund) were set up during the end of the Second World War to rebuild the economies of Europe. However, in order for the world bank and the IMF to implement their policies, they (the world bank and the IMF) began offering loans to poor countries but only if the poor countries privatized their economies and allowed western corporations free access to their raw materials and markets.

The IMF and COVID-19 (Coronavirus)

Monetary Policy in African Countries: Theory, Practice and Impact. The prevailing macroeconomic frameworks in African countries may be generally characterized as a do no harm approach to policy. Like in other developing regions, macroeconomic policy in African countries primarily pursues two very narrow objectives: (1) maintaining price stability and specifically low inflation; (2) achieving public debt sustainability.

Monetary Policy in African Countries: Theory, Practice and ...

Abstract. The impact of the policies advocated by the World Bank and the International Monetary Fund (IMF) in Africa are under increased scrutiny. African scholars and international NGOs concerned with Africa ' s development have asked whether the policies imposed by the World Bank and IMF in Africa have actually helped or hindered the objective of increasing living standards for the majority of Africans.
