in International Diplomacy, about the widespread corruption and financial abuse, at the highest levels, that he found while working for the Oil-for-Food Program under the United Nations in Iraq.

~~Michael Soussan — Wikipedia~~

By all means, Backstabbing for Beginners is a very fine book about a dramatic episode in United Nations history. The special introspection of a vulnerable UN freshman marries happily the inquisitive instinct of a journalist. The narration is animated by an appealing style, where truth, despite common
