Before She Met Me is a novel by English writer Julian Barnes, first published in 1982 by Jonathan Cape. It is a black comedy which scrutinizes the awakening of sexual jealousy in a dull and otherwise sensible college lecturer. Overview

Before She Met Me - Wikipedia

Before She Met Me is loaded with psychological intrigue, crisp, sparkling dialogue and wily Machiavellian contortions. Barnes can write men. I've read The Lemon Table and although I didn't enjoy it as much as Before She Met Me, I did notice the author had an uncanny ability to shove you into the male psyche until you literally felt in need of a shave and a subscription to Maxim.

Before She Met Me by Barnes, Julian - Amazon.ae

Before She Met Me is a book filled with the great British humor of Julian Barnes. It has its flaws, to be sure, but they are minor ones. One of the characters is truly reprehensible, but his appearances are so few and far between that I think his horrid behavior can easily be overlooked.
