Overview. The fifth and final novel of The Belgariad. The ancient Mrin Codex foretold the battle between of the heir to the Rivan throne and the evil God Torak, which will decide the fate of the world. Garion, the Rivan heir, is far from ready to face Torak, who is awakening from a long, enforced sleep. Garion, Belgarath and their wily friend Silk slip out of the castle without telling anyone to travel to where this final confrontation will take place.

BOOK 5 OF THE BELGARIAD, the worldwide bestselling fantasy series by master storyteller David Eddings. Discover the epic story that inspired thousands - from Raymond Feist's The Riftwar Cycle series to George R. R. Martin's A Game of Thrones. On the outcome of one duel rests the fate of the world... With Garion on the throne, peace has finally come to the West. But as long as the evil God Torak still lives, he knows they will never truly be safe. As Princess Ce'Nedra leads her armies in a desperate bid to divert the Evil One's forces, Garion travels to the City of Endless Night to face Torak for the last time. But one question haunts him: can man ever destroy an immortal God?

Garion regains the Orb and struggles to escape from the brutal Murgo soldiers and the deadly magic spells of Grolim Hierachs

Garion the farm boy did not believe in magic dooms, but then he did not know that soon he would be on a quest of unparalleled magic and danger when the dread evil God Torak was reawakened.

Princess Ce'Nedra joins the young farm boy, Garion, in the struggle to find the magical Orb and defeat the power of an evil sorcerer

"BELGARIAD is exactly the kind of fantasy I like. It has magic, adventure, humor, mystery, and a certain delightful human insight." PIERS ANTHONY The master Sorcerer Belgarath and his daughter Polgara the arch-Sorceress were on the trail of the Orb, seeking to regain its saving power before the final disaster prophesized by the legends. And with them went Garion, a simple farm boy only months before, but now the focus of the struggle. He had never believed in sorcery and wanted no part of it. Yet with every league they traveled, the power grew in him, forcing him to acts of wizardry he could not accept.

Remembering a past time when the gods walked the lands among mortals, an ancient man known as the Old Wolf recounts the tale of his youth, during which he witnessed the strife that split the world in two

The company must track down Zandramas, who has stolen Garion's baby son and plans to use him in a plot to make Dark Destiny rule supreme, but their quest to halt an evil prophecy is challenged at every turn

Sparhawk, who is in possession of the magical sapphire that can help him save Queen Ehlana, must first dodge the powers of the evil god Azash
