I'm curious what difference there is, if any, in the multitude of factory service manuals for the various PW50 models (A-whatever). We got my son a 1999 (L model), but I know there have been very minimal changes to these since 1982. His bike has a new top end, but it's a little rough around the edges and needs a bit of TLC.

The only service manual Yamaha offers for the 1987 PW50 was an "Owner's Service Manual"... same thing they did with the early IT's and YZ's. For the 87 PW50 Yamaha says to use LIT-11626-05-94... the contents are very similar to the Owner's manual Mako posted.... more detail than many Owner's manuals... not really a Service Manual.
