Culminating more than 10 years of research and advocacy, Sally J. Kenneymakes the case for more women judges in her new book, Gender and Justice: Why Women in the Judiciary Really Matter. In five jurisdictions, Kenney looks at women judges in order to understand different political processes: emotions and social movement mobilization in the state of Minnesota, policy implementation in the ...

~~Gender and Justice: Why Women in the Judiciary Really Matter~~

Gender justice and women's rights Every day, in every country in the world, women are confronted by discrimination and inequality. They face violence, abuse and unequal treatment at home, at work and in their wider communities – and are denied opportunities to learn, to earn and to lead. Women form the majority of those living in poverty.

While women are often among the most marginalized in society, requiring specific attention and targeted transitional justice responses, gender justice is not only concerned with women. All victims' experiences need to be assessed for gendered implications.

~~Gender Justice—accountability for gender-based ...~~

Our vision for women's rights and gender justice is that many more women will gain power over their lives and no longer live in poverty, and that both men and women will challenge inequalities and benefit from less restrictive gender roles. Our approach

~~Gender justice and women's rights | Oxfam Policy & Practice~~

The impacts of gender injustice are experienced most severely by women and girls. Women may face discrimination at home and in the work place. They make up the overwhelming majority of the world's poor. Women suffer heavily in times of war and conflict but are significantly under-represented at peace tables and in governance structures.

~~What is gender justice?—Side By Side Side By Side~~

Intended for use in courses on law and society, as well as courses in women's and gender studies, women and politics, and women and the law, this book explores different questions in different North American and European geographical jurisdictions and courts, demonstrating the value of a gender analysis of courts, judges, law, institutions, organizations, and, ultimately, politics.

~~Women and the criminal justice system 2017—GOV.UK~~

A focus on culturally sensitive approaches to justice makes it easy to allow gender injustice and the suppression of women's rights to continue. Yielding rights. Hellsten argues that the general problem women face during periods of transitional justice is that women's rights continue to be “yielding rights”.

~~Gender and Transitional Justice—United Nations University~~

Gender diversity at the ICJ matters for the simple reason that women make up at least half of the global population; women have the qualifications and merit for international judicial positions ...
