It's not easy to be cool if the whole class makes fun of you for calling your teacher "mom or dad", and wearing superhero underwear. Not to mention everyone seeing you get kisses from your mom at the bus stop. "How to survive third grade includes 26 tips for being cool. Including rock solid advice for kids such as "If at first you don't succeed, just sit down and eat ice cream, then try again" and " if you get bad grades in school, show them to your mom while she's on the phone". If only it were that easy.

Ernest, an unpopular third grader, has a difficult adjustment to make until he finds a friend and experiences his first real successes in life.

Amelia's useful (and amusing) advice provides practical and quirky tips for making the most of the school year and finding fun in virtually every subject, from surviving school photos and coping with class bullies to overcoming writer's block and conquering class presentations.

It's not easy to seem cool when the whole class knows you wear superhero underwear and your mom still kisses you goodbye at the bus stop. But Robbie York has a plan. 1) Get rid of the name Robbie. 2) Get jeans. 3)Avoid bullies like Bo Haney. If only it were that simple!

When Robbie York is marked as a target by a bully at school, he decides that the only way to survive the third grade is by being cool. Copyright © Libri GmbH. All rights reserved.

Will should be excited to start third grade. But his little brother, Steve, is starting kindergarten. The same laugh-out-loud writing and hilarious illustrations that brought us How Not to Babysit Your Brother now portray the tribulations and embarrassments of starting school with a very troublesome little brother. School will never be the same! Cathy Hapka and Ellen Titlebaum are the authors of many books for children. This is their second book about Will and Steve. They live in Lincoln University, Pennsylvania, and New York City, respectively. Debbie Palen has illustrated many books for children, including How Not to Babysit Your Brother and the first four books in the Andrew Lost series. She lives in Cleveland, Ohio.

Presents information on a variety of topics related to learning to write, including various kinds of writing, parts of speech, sentence structure, and punctuation.

Liza is convinced third grade is going to be great until she gets to school that first day and everything starts going wrong.

Raise awareness on the many important functions of the human body without having to spend hours reading text. This educational book is a gift to children and parents, who desire independent learning. The use of pictures and select texts make this book very easy to learn and appreciate. Grab a copy today!
