Top 5 Leadership Development Trends For 2020

A behavioral theory is relatively easy to develop, as you simply assess both leadership success and the actions of leaders. With a large enough study, you can then correlate statistically significant behaviors with success. You can also identify behaviors which contribute to failure, thus adding a second layer of understanding. 0

LEADERSHIP - Coroflot

This chapter examines and evaluates the different early theories of leadership. The Great Man theory focuses on heroic individuals, implying that only a selected few can achieve greatness. The trait theory conceptualises leadership
