"Mama Natural's Week to Week Guide to Pregnancy is the modern (and yet ancient) approach to pregnancy and childbirth. "Natural" recognizes that pregnancy and birth are normal, and that having a baby is a wondrous biological process and rite of passage--not a medical condition. This book draws upon the latest research showing how beneficial and life-changing natural birth is for both babies and moms. Full of weekly advice and tips for a healthy pregnancy, Grace details vital nutrition to take, natural remedies for common and troublesome symptoms, as well as the appropriate (and inappropriate) use of interventions. Pregnancy, childbirth, health, health and wellness, parenting, family"--

Three top ob/gyn's--who are also moms themselves and hosts of the Oprah Winfrey Network's Deliver Me--offer a comprehensive guide to pregnancy. Original. TV tie-in.

If you only buy one pregnancy book, this should be the one! It ' s the most complete. It covers all aspects of childbearing, from conception through early infancy, and tells you what to expect. It offers detailed information, suggestions on decisions to make, and advice on steps to take to have a safe and satisfying experience. The Award-Winning Resource Recommended by Experts & Loved by Parents Parents love this book because it puts them in control by explaining a wide range of options, information, and questions to ask, so parents can find what works best for their health situation, personal goals, and priorities. Experts love this book because it ' s based on the latest medical research and recommendations from leading health organizations. It ' s practical—rooted in the real-life experiences of new families. The five authors bring a combined total of 150 years of experience working with expectant and new families as educators, nurses, counselors, doulas, physical therapists, and lactation consultants. They have attended hundreds of births, heard thousands of birth stories, and assisted innumerable new parents in adapting to their new lives. Not only that, the authors have a combined total of 12 children and 12 grandchildren. All of this experience allows them to write with compassion, understanding, and wisdom based on what really works in the real-world of parenting. The companion website offers even more details on select subjects, including lists of all the best resources on each topic and worksheets to guide parents ' decision-making process. The website also includes a bonus chapter on pre-conception, which provides ways to improve your health and fertility before pregnancy begins.

Male midwife Mark Harris shares his invaluable experience and first-hand insight, man-to-man, in a practical and honest guide to pregnancy, childbirth and beyond.

For a Safe and Healthy Birth... Your Way! *Giving Birth with Confidence* will help take the mystery out of having a baby and help you better understand how your body works during pregnancy and childbirth, giving you the confidence to make decisions that best ensure the safety and health of you and your baby. *Giving Birth with Confidence* is the first and only pregnancy and childbirth guide written by Lamaze International, the leading childbirth education organization in North America. Written with a respectful, positive tone, the full version of this book presents:

- Information to help you choose your maternity care provider and place of birth
- Practical strategies to help you work effectively with your care provider
- Information on how pregnancy and birth progress naturally
- Steps you can take to alleviate fear and manage pain during labor
- The best available medical evidence to help you make informed decisions

Previously titled *The Official Lamaze Guide*, this 3rd edition has updated information on:

- How vaginal birth, keeping mother and baby together, and breastfeeding help to build the baby ' s microbiome.
- How hormones naturally start and regulate labor and release endorphins to help alleviate pain.
- Maternity-care practices that can disrupt the body ' s normal functioning.
- The latest recommendations on lifestyle issues like alcohol, vitamins, and caffeine.
- Room sharing and cosleeping: the controversy, recommendations, and safety guidelines.
- Out-of-hospital births are on the rise: New research and advice on planned home birth, including ACOG ' s revised guidelines, which support women ' s choices and promote seamless transfer to hospital, if needed.
- The importance of avoiding unnecessary caesareans for mother and child. Includes the new ACOG guidelines on inductions and active labor.
- The research in support of the Lamaze International ' s " Six Healthy Birth Practices, " which are:

- Let labor begin on its own.
- Walk, move around, and change positions throughout labor.
- Bring a loved one, friend, or doula for continuous support.
- Avoid interventions that aren ' t medically necessary.
- Avoid giving birth on your back and follow your body ' s urges to push.
- Keep mother and baby together—it ' s best for
