A must for all wanting to use natural means for preventing or treating high blood pressure, blocked arteries, cancer, chronic fatigue, diabetes, osteoporosis, and many other afflictions. Provides information that minimizes the use of prescription drugs, diet fads, and their accompanying side effects. Highly illustrated in full color, this tome of information is designed to be readable and easy-to-understand. Singular case studies, which can be misleading, are not used. Instead, the results of a host of scientific studies conducted around the world are cited, many of which involve large groups of individuals with widely varying lifestyles. Many topics are covered such as how to strengthen the immune system, overcome addictions, increase reasoning ability, cope with stress, and enhance children's mental and physical potential.

In what promises to be the trial of the century, attorney-turned-author James Henderson indicts the medical/industrial cartel now dominating modern drug-based medicine for trading the health of millions of Americans for dollars. In the brilliant and intriguing setting of a jury trial the author enrolls We the People of America into a vast national jury to pass judgment on modern pharmaceutical medicine for cunningly treating chronic degenerative diseases like heart disease, cancer, and diabetesAmericas leading killersby merely seeking to manage the symptoms of these diseases, not even attempting to cure them. Drug-based medicine has become big business. It thrives on sickness. It dares not cure the patient or the money pipe-line dries up. The price tag? Overt two trillion dollars annually and climbing. And America is getting sicker by the day. Author James Henderson offers the proven testimonies of eminent nutritional physicians and medical geniuses who have turned their backs on this criminal monopoly. These brave souls have risked their careers to blow the whistle on the drugging of America. In this court of public opinion, if we, the jury, cannot discern the truth, what hope is there for justice? Or for medical freedom in America? Will We the People make a decision before its too late? Read Indicted! and decide for yourself.

Instead of merely medicating the symptoms of depression, Neil Nedley, MD (a practicing internal medicine specialist) has sought to find a cure for this lonely, debilitating disease in his latest book, ?Depression: The Way Out.' In his straightforward writing style, Dr. Nedley gives you a well-referenced, in-depth comprehension of how depression affects the person mentally, physically, emotionally, and spiritually. For those in the grip of this dark disease, Dr. Nedley brings hope with his successful twenty-week cure that has brought relief to so many of his patients.

A revolutionary program for combating and reversing diabetes. Over the past ten years, Lifestyle Center of America has emerged as the center in the country that offers a proven-successful program to combat diabetes-and even reverse its adverse effects on the body. Now available in book form for the first time, LCA's program enables individuals to actually get to the root of their problems by teaching them the ways of lifestyle-change, the power of diet, activity, and stress management. It also shows how to: \* Eliminate counterproductive habits \* Adopt therapeutic and preventative nutritional changes \* Overcome insulin resistance with a new lifestyle medicine paradigm \* Achieve motivation and inspiration through pro-active healthcare coaching \* Understand the extraordinary benefits of a plant-based diet for diabetics \* Energize with a unique, simple, and effective intermittent training exercise program \* Take ownership of one's own health and future

Including Clive James's most memorable pieces – his ' Postcard from Rome ', his observations on Margaret Thatcher, his insights into Heaney, Larkin and Orwell – this book also contains brilliantly funny examinations of characters like Barry Humphries, as well as showcasing James ' s more thoughtful, analytical side. From Germaine Greer to Marilyn Monroe, from the nature of celebrity to German culpability for the Holocaust, Reliable Essays is an unmissable collection from one of the best writers of our time.

When his long-lost love and new bride Clara was brutally murdered in an Austrian mountain chateau while they were on their honeymoon, super-sleuth and undercover operative Roland Troy quits chasing criminals and retreats to the back woods of Vermont. But when his old friend and former partner McKenzie Rockett travels from Florida to ask a favor, Troy knows he can't say no to Rockett's request for help in solving one last homicide. Troy is partnered up with beautiful, ex-model, Angela Becker, a superb undercover cop in her own right. The two of them quickly find that they are on the trail of something far larger and darker than what Troy and Rockett had initially assumed: an on-going international conspiracy that has spanned not only the decades, but generations as well. This riveting stand-alone sequel to Prancing Tiger (Morrow, 0-688-13049-6), takes the reader from rural Vermont to the swampland of Florida, and into the mountains along the Austrian-Italian border on a hunt for the truth about one girl's past and the history of an entire nation.
