explores the devastating psychological effects of the conflict in the Balkans on a family who flee to South America to build a new life. It is told from the perspective of the young Tamara, as she tries to make sense of growing up haunted by a distant conflict. Yet the ghosts of war re-emerge in their new land – which has its own

traumatic past – to tear the family apart. Staging scenes from childhood as if the characters were rehearsing for a play, the novel uses all the imaginary resources of theatre director, set painter and lighting designer to pose the question: how can Tamara salvage an identity as an adult from the ruins of memory, and

rediscover the ability to love? With themes that echo Elif Shafak ' s The Bastard of Istanbul, a sensitive narrator recalling Eimear McBride ' s A Girl is a Half-Formed Thing, and a focus on the body in the style of Elfriede Jelinek, this is an artfully construct- ed, widely praised work from one of the most exciting

A failed history professor  
hoping to advance his  
career tries to capitalize  
on his extensive  
knowledge of the  
Mexican Revolution and  
its leaders in this play,  
which enjoyed  
enormously popular  
success after its 1948  
publication and

continues to attract contemporary audiences. El gesticulador (The Impostor) is regarded by literary historians as the play that signaled the start of modern Mexican drama. Set in 1930s post-revolutionary Mexico, its basic ingredients are history and myth, honesty and duplicity, truth and falsehood as well as political intrigue,

corruption, party politics and the social dynamics of the Mexican family.

Considered by some as an ill-disguised attack against Mexican values and traditions and especially against the Revolution and the party in power, the play was rejected and criticized by government officials and labor leaders while still enjoying popularity.
