While ninety percent of the world's millionaires are men, only ten percent are women, making it difficult for women to wield the economic power that will create lasting equality. Rachel Rodgers, founder of Hello Seven, a company that coaches women in scaling their businesses and their lives to seven figures, says it's time for a change. Women deserve the economic power and equality that comes with wealth, and we all have it in us to be millionaires. We Should All Be Millionaires details a realistic, achievable, step-by-step path to become a millionaire within the next three years. Whatever is currently stopping you from having seven figures in the bank whether it is doubt, feeling overwhelmed, imposter syndrome, trying too many things, or simply not knowing where to begin this book shows you how to clear every obstacle in your way. We Should All Be Millionaires will forever change the way you think about money and your ability to earn it. In this book, Rachel Rodgers mother of four, attorney, business owner, and self-made Black millionaire shares the lessons she's learned both in her own journey to wealth and in coaching hundreds of women through their own journeys to seven figures. Inside, you'll learn: Why earning more money is not selfish or greedy but in fact, a revolutionary act that brings the economy into balance and creates a better world for all. Why most of the financial advice you've heard in the past (like skip your daily latte to save money) is absolute nonsense. An eye-opening history lesson on how women and people of color have been shut out of the ability to build wealth for centuries and how we can fix this. How to stop making broke-ass decisions that leave you feeling emotionally and financially depleted, and start making million dollar decisions instead. Why aiming to earn \$100K per year is not enough, and why you need to be setting your goals much higher. The crucial ingredients you need if you are serious about becoming a millionaire: including your million-dollar vision, million-dollar squad, and more. Strategies to bring more money in the door and fatten your bank account immediately. (Including Rodgers' \$10K in 10 Days Challenge which hundreds of women have completed with incredible results.) It's time to construct an entirely new attitude about money, claim your power, and build the financial security that you need and deserve.

Million Dollar Coach is the must-have resource for coaches. Increase the income you earn, work when and how you want, watch your clients get incredible results..... and become empowered to live a life of massive personal freedom. Million Dollar Coach is designed to shift these issues you may be experiencing such as: * Too many coaches hit an income ceiling, and never make the kind of money (or the kind of impact) that they are capable of. They get stuck at one of the 3 plateaus: Survival, Stability or even Success * Most coaches blame themselves, and try to work on their MINDSET - But nothing changes because it's not your mindset that's the problem. It's the MODEL that needs to change. * The model that you bought into when you started your coaching business is completely unscalable (Manual prospecting to get a few leads, followed by one-to-one selling and dealing with objections, excuses and stalls... and time-for-money coaching so there's never any time for you). * For the last 5 years, the author has been working with a select group of coaches, taking them from Stability to Success and Scale. Taki Moore has a very new approach and he shares the very best of what is working for them to become a Million Dollar Coach. This book is essential reading for coaches of all types and experience-levels and is of particular value for anyone looking to start a coaching business to short cut growing pains and quickly rise to become a Million Dollar Coach.
