I made the mistake of ordering all three, Dash Diet, Younger You, Everyday Dash Diet Cookbook and Dash Diet Weight Loss Solution. It was sold as a trio. I would not advise anyone to order the trio because Dash Diet Younger You and Dash Diet Weight Loss Solution are basically the same. I do not understand why they sell them like this.

The DASH Diet Action Plan is the user-friendly teaching guide to the DASH diet. Initially, many people find it difficult to follow the DASH diet. This book makes it simple to understand and put into practice. The book makes it easy to lose weight with the DASH diet, and it has realistic ways to add exercise. Although the book was not intended to be an aggressive weight loss book, people are writing to say that they have surprised themselves by finding it easy to lose weight following the plan! Many people find the DASH diet to be hard to implement and sustain in a hectic lifestyle. The average American gets 2 - 3 servings of fruits and vegetables combined each day, so following the DASH diet may seem daunting. The DASH Diet Action Plan book is designed to help you with more than just "what" is involved with the DASH diet, it also shows you "how." How to follow the DASH diet in restaurants, how to lose weight, how to make over your kitchen to make it easy to follow your plan, how to fit in exercise, how to reduce salt intake, how to add vegetables even if you "hate" vegetables. And the book helps you make your own personal plan with specific steps you will take to fit the DASH diet into your daily routine. Our readers say that this is the best DASH diet book! Your step-by-step plan will include: setting your goals for blood pressure and cholesterol, determining the calorie-level you need for maintenance or weight loss, developing meal plans, developing a realistic exercise plan, adjusting the DASH diet to accommodate other health problems, choosing the key DASH diet foods, reading food labels, and learning how to incorporate more vegetables in your diet, and setting up your kitchen to make it easy to stay on track. This book was written by a registered dietitian who is experienced in helping people make sustainable behavior changes, and make healthy eating part of their real lives. She knows that people need flexibility and options to choose different approaches, since not everyone has the time or the interest in cooking or making drastic changes in how they eat. The book incorporates tools that will help you plan the specific steps you will take to adopt the DASH diet. Research shows that people who make concrete plans are more likely to be successful with adopting new health behavior. This should improve your ability to lower your blood pressure (and cholesterol), without medication.

Using the key elements of the DASH (Dietary Approaches to Stop Hypertension) diet and proven, never-before-published NIH research, leading nutrition expert Marla Heller has created the most effective diet for quick-and lasting-weight loss. Draws on the latest research in an introduction to the Boston University Professor of Medicine's DASH program for lasting weight loss that explains how to calculate calorie targets and adapt favorite recipes while lowering health risks. 50,000 first printing.

New York Times bestselling author Marla Heller shares a revolutionary new DASH diet plan, proven to boost weight loss and lower cholesterol and blood sugar levels through 28 days of healthy meal plans. The New York Times Bestseller--Based on the Diet Ranked "#1 Best Diet Overall" by US NEWS & WORLD REPORT--for 4 Years in a Row! Finally, the #1 ranked DASH diet is popularized and user-friendly. Unlike any diet before it, DASH, which stands for Dietary Approaches to Stop Hypertension, came out of groundbreaking NIH-funded research. Now, Marla Heller, MS, RD, who was trained by one of the primary architects of the DASH diet and is herself the leading dietician putting DASH into action for over ten years, shares the secret to making the diet easy and accessible, in THE DASH DIET ACTION PLAN. Rich in fruits, vegetables, whole grains, low-fat and nonfat dairy, lean meats, fish, beans, and nuts, DASH is grounded in healthy eating principles that lower blood pressure; reduce the risk of heart disease, stroke, and some types of cancer; and support reaching and maintaining a healthy weight. No diet has a medical pedigree like DASH, and this book is a simple, actionable plan that can fit seamlessly into everyone's life and lifestyle. It includes: 28 days of meal plans at different calorie ranges Simple tools to help you personalize a DASH Diet Action Plan for guaranteed success DASH-friendly recipes and shopping lists Tips for eating on-the-run Advice on healthy weight loss and exercise for every lifestyle. Now, you can revolutionize your health and change your life-without medication.

From the New York Times bestselling author, this guide to healthy living features the latest science and research and a Mediterranean diet-inspired meal plan to make this the most healthy and effective DASH diet ever. The DASH diet has been a staple of the dieting world, recommended by doctors, nutritionists, and crowned the US News and World Report's #1 best diet for 8 years in a row. But popular tastes and medical guidelines have evolved, and The Dash Diet Mediterranean Solution presents a new approach to the time tested diet program that highlights the benefits of whole foods. Marla Heller, MS RD has overhauled the DASH plan to reflect the latest, cutting-edge research on hypertension, diabetes, depression, and other health issues that impact millions of Americans. Meal planning gets a new focus on unprocessed foods (less sugar free jello, more fresh fruits!), seafood options, and even a whole section examining vegan and vegetarian choices. Filled with four weeks of menus and tons of strategies and research, The Dash Diet Mediterranean Solution offers readers a new approach to their best health the DASH diet way.
