Dolphin Parenting Style: Characteristics & Impact on Kids ...

According to Kang, dolphin parenting provides a balance between the strict approach of tiger parenting and the lack of rules and expectations that characterizes what she calls "jellyfish parents". Dolphin parents avoid overscheduling activities for their children, refrain from being overprotective, and take into account the desires and goals of their children when setting expectations for behavior and academic success.

Parenting styles - Wikipedia

Fortunately, there is a third way. Presumably after noticing that dolphins are an exact genetic mixture of tiger and jellyfish DNA, Kang has written a book, The Dolphin Way. Dolphin parents, Kang...
