## Scotland And The First

The Flowers of the Forest A  
lament for the army of James  
IV, the flower of Scottish  
manhood, slain with their  
king on the field of  
Flodden, September 1513. The  
composition of this song  
began with a fragment of a  
very old ballad. Mrs Patrick  
Cockburn of Ormiston drew on  
this fragment to write a  
full song.

Written as a lament for the  
Scots killed at the Battle  
of Flodden in 1513. The tune  
is usually only played by a  
solo piper at funerals, and  
because of this, some Scots

The author of Culloden details the effects of World War I on Scotland. On the brink of the First World War, Scotland was regarded throughout the British Isles as "the workshop of the Empire." Not only were Clyde-built ships known the world over, Scotland produced half of Britain's total production of railway equipment, and the cotton and jute industries

flourished in Paisley and Dundee. In addition, Scots were a hugely important source of manpower for the colonies. Yet after the war, Scotland became an industrial and financial backwater. Emigration increased as morale slumped in the face of economic stagnation and decline. The country had paid a disproportionately high price in casualties, a result of huge numbers of volunteers and the use of Scottish battalions as shock troops in the fighting on the Western Front and Gallipoli—young men whom the novelist Ian Hay called “the vanished generation.” In

this book, Trevor Royle provides the first full account of how the war changed Scotland irrevocably by exploring a wide range of themes: the overwhelming response to the call for volunteers; the performance of Scottish military formations in 1915 and 1916; the militarization of the Scottish homeland; the resistance to war in Glasgow and the west of Scotland; and the boom in the heavy industries and the strengthening of women's role in society following on from wartime employment. "Royle has done First World War History a great service." –Gary Sheffield,

58th Battalion, Canadian Expeditionary Force. In the summer of 1915 he embarked on a journey into war along with his two best friends. It was not just a journey of longitude and latitude, but also a transformation of youth into manhood. The starting point was a place called Paradise. The destination was a place that could be called anything but. The Great War was turning Europe into blood and rubble, and the trio of friends felt called to serve King and Country. The route was perilous and it was not always clear who the enemy was. It was the beautiful game that provided relief

and distraction, and more importantly, cohesive teamwork to help the 58th Battalion in their quest to defeat the German foe. The ferocious and bloody battle at Sanctuary Wood was the ultimate test of their courage and skill. "The shelling did take up the whole afternoon, and finally ceased just before sunset. It was terrifying. It was deafening, and by the time it had stopped my nerves were a bloody mess. I thought back to the fireworks at the Canadian National Exhibition. I would never again be inspired by any damn fireworks display. I needed to re calibrate by
