## Administration

UNIX and Linux  
System Administration  
Handbook, 5th Edition

There are four main user  
administration files ?.

`/etc/passwd` ? Keeps the  
user account and  
password information.

This file holds the  
majority of information  
about accounts on the  
Unix system.

# Access Free Unix And Linux

`/etc/shadow` ? Holds the encrypted password of the corresponding account. Not all the systems support this file. `/etc/group` ? This file contains the group information for each account.
