The Elements of Style by William Strunk and E. B. White - The Classic Writing Style Guide - This book aims to give in brief space the principal requirements of plain English style. It aims to lighten the task of instructor and student by concentrating attention (in Chapters II and III) on a few essentials, the rules of usage and principles of composition most commonly violated. In accordance ...

The Elements of Style: The Classic Writing Style Guide—
Strunk and White’s The Elements of Style receives frequent mention in articles about writing. Originating as a classroom study aid prepared by Cornell English Professor William Strunk in 1918, this widely-used desk reference of English usage, form, and style continues to influence writers after a hundred years.

Strunk and White’s The Elements of Style
A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field.The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as “house style”.

List of style guides—Wikipedia
In light of recent announcements elsewhere in publishing, many of our readers have been asking us whether we continue to recommend lowercase for terms such as black and white to refer to a person’s race or ethnicity, “unless a particular author or publisher prefers otherwise”—as we have advised in section 8.38 of the most recent edition of The Chicago Manual of Style.
