On 5/4/06 at app 1245 hours I was dispatched to CPD headquarters for a report of a public contact.

Upon arrival I was met by, Nicholas Gianquitti (DOB 4/15/68), of 16 Daisy Ct. Mr. Gianquitti wanted to have a report on file about kids playing in his yard. He stated that his neighbor's kids from 9 and 10 Daisy Ct play baseball in their yard with a hardball. The ball repeatedly lands in his yard. He just wanted to have a report on file in case the baseball damaged his residence or vehicle in the future.

At app 1315 hours I responded to 9 and 10 Daisy Court to speak with the parents of the kids. No one could be reached.
