Jim,

please take  
a look into this  
and begin to formulate  
a response. See file  
on Maccera's offer of land  
on Shun. I don't want  
to speak to Jerry's land  
deal.

Dear Mr. and Mrs. Buttner:

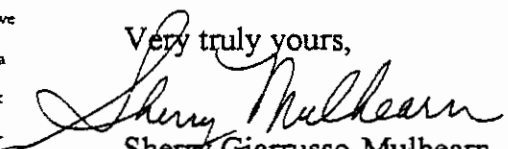

In response to your question, "Is Rhode Island Resource Recovery Corporation in the process of negotiations to purchase any parcels of private or public land from Johnston's current Mayor William Macera and/or his representatives?", the answer is no.

However, we recall that approximately four years prior to Mr. Macera becoming Mayor, an offer to sell a parcel of Industrial land on Shun Pike identified as Tower Hill Industrial Park was made to the Corporation, but no further action has taken place.

I trust this response satisfies your inquiry.
